Subject: Updated Exhibit A and Monthly Target Form

Ms. Julie,

I have attached a revised Exhibit A proposal which should reflect what you are looking for. If I need to reduce, let me know.

I also attached the revised Monthly Target Form to reflect the correct numbers.

The 1,630 number in the 11 page document was a calculation error. The number in the attached document is accurate.

I will be available to get what you need. You may email or call me.

Thanks,
Barbara Thomas
